SUPPLEMENT TO  
25X1X REPORT NO.

The following State enterprises are located in Strumica:

- a. Rice hulling factory. Established in 1948, it employs 15 workers.
  - b. Corn mill. Established before the war and now confiscated by the State.
  - c. Cleaning, pressing and packing station for raw cotton. The 12 machines for cleaning raw cotton were manufactured by the Titov Metalni Zavod State enterprise in Skoplje. There are two 18 HP Diesel motors operating the machinery with fuel supplied by the State enterprise in Stip. The 60 workers are divided into two 8-hour shifts and receive about 100 dinars a day.
  - d. Electric power plant, operated by a 360 HP Diesel engine, 6 cylinders, 220/380 (sic). This engine, constructed for sea navigation purposes, was installed in the plant in 1948. The power is used only for illumination in Strumica.
  - e. The State tobacco enterprise controls the planting and harvesting of tobacco, and is sole purchasing agency for tobacco in the Strumica area.
  - f. The State auto-transport enterprise transports goods and passengers in the Strumica area. Mitko Kladenov is the manager and Vasil Vuckov the political commissar. Equipment includes 40 trucks, 6 buses (Chevrolet and Praga) and 4 cars of various types. Gasoline comes from the State storage depot in Stip and is in sufficient supply. The trucks transport coal, textiles, salt, sugar and other goods from Piravci, a station on the Djevdjeli-Skopje-Belgrade line, and carry tobacco, cotton and rice on the return trip, a distance of about forty kilometers.
- (1) The enterprise employs 10 mechanics and a like number of office employees. Drivers receive about 100 dinars per day plus .50 dinars per kilometer.
